

Memoranda

Laysan Island
June 1966

Frank Smith

Laysan Island

1st Trip

✓ADP
CPH
Done

10 June

Landed 0830

The first part of the book is a history of the
 country from the time of the first settlement
 to the present. It is a very interesting and
 well written work. The author has done a
 great deal of research and has gathered
 together a mass of material. The book is
 well illustrated and is a very good
 reference work. It is a must for every
 student of the history of the country.
